

YOUR VOICE AT THE CAPITOL 2014 STATE LEGISLATORS

At the beginning of each Legislative session the League compiles current contact information for all of Arizona's 30 State Senators and 60 State Representatives in order to facilitate lobbying efforts for cities and towns. The list includes the following

- the name of each Senator and Representative, the party they belong to, their district and the cities and towns they represent
- the Capitol address and toll - free number (listed below)
- legislators' office phone numbers
- legislators' e-mail addresses

Another useful tool for accessing legislative information is the Legislature's web site. The address is www.azleg.gov. Using the links provided on the web page you can retrieve brief biographies of legislators and what committees they serve on, access complete texts of introduced legislation and obtain the status of any bill. Summaries of each bill can also be found on this site once the bill has been assigned to committee.

The League offices are always available for your use during the legislative session. The League facilities provide a convenient place for meeting with State Legislators, particularly for local officials outside the metropolitan Phoenix area.

We hope the list will be helpful to you in contacting your legislators on all issues of major municipal concern. Please feel free to contact the League staff should you have any questions regarding legislation or contacting your legislators.

If you wish to reach a legislator by mail at the Capitol, simply address the correspondence to:
